

ADDENDUM #3
Clearview Therapy Services
Dodge County, WI
RFP #CLV 20-01

Supplemental information provided in response to bidder questions.

1. What is the occupancy each of your care settings over the last three months and also for January? **See spreadsheet titled CLV 20-01 Add 3, Census tab.**
2. What is the therapy utilization by payer source for each setting? **See spreadsheet titled CLV 20-01 Add 3, Minutes Units tab.**
3. What is the case mix distribution over last three months? **See spreadsheet titled CLV 20-01 Add 3, On Site Labor Summary tab.**
4. What is your current provider's pricing? **See ADDENDUM #2, question 21.**
5. Clarify the information that should be included in the final packet. There is an outline on page 6 that slightly differs from what they say needs to be included on page 8. **Please include the timeline indicated in 2.4 on page 6 with your final packet submission.**
6. What is the EMR used at Clearview and is the expectation to have the therapist's document in it? Or, is it allowed to use a software such as Casamba and provide an interface and billing export files? **Clearview utilizes MatrixCare for its EMR. Therapists are not expected to document in MatrixCare. Yes, it is allowed to use a software such as Casamba and provide an interface to export files.**
7. What is your current method of Electronic Medical Records and do you currently interface with your therapy provider? **We Use MatrixCare for our Electronic Medical Record and we interface with our current therapy provider through Optima.**
8. What is your current Medicaid CMI rate? **1.0101**
9. Does Clearview supply all of the therapy materials for its various units, or is it the responsibility of the rehab provider? **Yes, Clearview supplies therapy materials, not office supplies.**
