*Remembrance
Garden*

Rendition of the Remembrance Garden

Remembrance Garden

The Remembrance Garden will provide a beautiful tribute for a dear loved one and will provide solace for the survivor. The Garden will be maintained as a quiet dignified area and will allow a survivor to reflect the memories of the loved ones. A paver will be an engraved “brick” placed in the walk way of the garden. Anyone can be remembered or honored in the garden.

Donors may also make a request for a bench. Each item will come with an engraved plaque affixed to the item. Prices vary according to material costs and labor. Please contact Friends of Clearview for more details.

Clearview

Clearview's "person-centered" approach allows us to better serve the people who live here with compassion, dignity, and individuality. We take the time to learn about you as an individual and what you like and dislike and help you to create an environment that is comforting to you. Your involvement in your care is what we'll promise.

Located in the countryside of Dodge County approximately 45 minutes from Madison and one hour from Milwaukee, Clearview stands proudly. We boast a home-like environment that offers cleanliness, warmth, and companionship. From the veteran staff members, to the aviaries and outdoor gardens, we provide for spontaneity and a sense of purpose for the individuals we serve.

Clearview is unique in that our staff members have the training and expertise to serve individuals who have both complex medical as well as behavioral needs.
