Request Summary

Dodge County Physical Facilities Department is requesting a quote (RFQ) for a new industrial-grade Milnor washer-extractor to be delivered and installed at the Dodge County Justice Center located at 216 S. Center St., Juneau, WI 53039.

Specifications

Vendor to Supply and Install

- MILNOR V-SERIES model 30022 VRJ:
 - 60 lb. capacity, 7 speed washer-extractor
 - 30" x 22" (9 ft³) stainless steel cylinder
 - 685 RMP Max Extract > 200 G-Force
 - RinSave Water Technology
 - E-Plus Programmable Microprocessor Control
 - Universal digital temperature control
 - Programmable cool down, bath/overnight soak
 - Oil-filled industrial rigid bearing housing
 - Industrial tapered roller bearings
 - Single-motor inverter drive
 - Six (6) liquid supply injection signals/ports
 - 208-240/60/3 electric service
- Include removal and disposal of existing Milnor 30022M5J washer.
- Include a 90-day service/labor warranty covering any manufacturing defects on a straight-time basis.
- Include a five (5) year manufacturer limited parts warranty.

Dodge County will provide:

- Final electrical connections.
- Corrections to faulty utility connections (e.g. faulty water valves, faulty utility lines, etc), and any changes, if required, to any existing utility connections.
- Proper concrete foundation for washer.

- Provide clear access from outdoors into laundry, including, but not limited to, door/door frame removal.
- Reconnection of external chemical injection and supplies.

NOTES:

Dodge County is tax exempt municipality under Section 77.54(9a)(b), Wis. Stats.
