Stalking Arrest

The Dodge County Sheriff's Office has recently investigated threats made toward employees of the Waupun Correctional Institution and other people associated with the institution. Multiple victims received hundreds of communications in the form of calls, texts, and emails that were both threatening and harassing in nature. The threats caused disruptions to operations at Waupun Correctional Institution, and law enforcement was needed to increase its presence near victims' homes.

On Monday, May 5, 2025, the Dodge County Sheriff's Office was assisted by the Milwaukee Police Department Tactical Enforcement Unit and the Milwaukee Police Department Special Investigations Division in the execution of a search warrant in the city of Milwaukee. Detectives with the Dodge County Sheriff's Office located electronic communication devices that provided evidence of the alleged criminal activity. As a result of the search warrant, Trina Brown (age 32) of Milwaukee was arrested. Detectives requested multiple counts of each of the following criminal charges against Trina Brown through the Dodge County District Attorney's Office.

- Stalking in violation of §940.32(2m)
- Terroristic Threats in violation of §947.019(1)
- Unlawful Use of a Telephone in violation of §947.012(1)(b)
- Unlawful Use of a Computerized Communication System in violation of §947.0125(2)(c)
- Bail Jumping in violation of §946.49(1)(a)

The Dodge County Sheriff's Office takes threats upon human life very seriously and will diligently work to hold those engaged in these types of acts accountable for their actions. As a reminder, all people are innocent until proven guilty in a court of law.
